Students must submit an application and all required documents by the deadline listed above to be considered for admission to the University. Early application, well in advance of these deadlines, is highly recommended.

Application Term: Application forms and test scores are valid for one year. If you complete this application form for a particular term and do not enroll for that term, a new application form must be submitted should you decide to be considered for admission to a later term.

Required Readmission: Students who leave the University for a fall or spring semester must apply for readmission. This policy applies to students who enroll and withdraw prior to the official first day of the semester. Students who were enrolled for at least one day of the previous semester do not need to reapply and should contact the registrar's office for registration information. (Fall semester only)

Housing
Living on campus is optional. Students interested in living on campus must register online at myUK.uky.edu. For疑问 please contact us at housing@uky.edu. Student applicants will have access to a variety of options to choose from on-campus housing. For details, please visit the University's Living Learning Programs website.

FINANCIAL AID
The Office of Student Financial Aid administers a number of more than $200M annually in financial aid to University of Kentucky students. Funding from federal, state, and University financial aid programs is available to students who can demonstrate need for financial assistance.

Students who wish to be considered for need-based financial aid should complete the Free Application for Federal Student Aid (FAFSA) with the federal processor by February 15 (for Fall admission). Transfer students must file by March 15. All aid is subject to availability of funds. Eligible students who file the above dates may receive loan assistance because some funds will already be exhausted. Freshmen and transfer students who are Kentucky residents are encouraged to file the FAFSA as soon as possible to increase the likelihood of receiving Kentucky Access Program (KAP) grant funds which are limited. The FAFSA is available online at www.fafsa.ed.gov. If you are unable to file on-line, you can obtain a paper copy of the FAFSA from your high school guidance office or by calling 800-433-3243. UK's FAFSA code is 001989. The University of Kentucky’s Net Price Calculator will calculate an ESTIMATE of the general types and amount of financial aid you might expect to receive for your freshman year when you enroll full-time at the University of Kentucky. To search the scholarship database, please visit iweb.uky.edu/Scholarships/Search.aspx.

The University of Kentucky also provides a competitive academic scholarship program and a competitive diversity scholarship program, for higher valued scholarships for in-state and out-of-state students. Students applying for competitive academic scholarships must have high school transcript indicating qualifying cumulative grade-point average on file with the Office of Undergraduate Admission by December 1, 2015. Students applying for competitive scholarships must have a high school transcript indicating qualifying cumulative grade-point average on file with the Office of Undergraduate Admission by December 1, 2015. Students applying for competitive academic scholarships must also have qualifying test scores on file with the Office of Undergraduate Admission in addition to the application. For information on the process, please visit the University's Online Scholarship website.
